5. CYBERBULLYING AND ONLINE SAFETY

Cyberbullying is specifically bullying that occurs through digital meansIt can happen via social

Pre-Preparatory School

- All reported cases will be investigated. Records must be kept through the Pre-Preparatory School. As a consequence of the measures in the Preparatory School, the records are kept to identify patterns of behaviour and to provide the opportunity to evaluate the effectiveness of the measures.
- Cases of bullying or suspected bullying in the school or around the School will be acted on immediately by the management.
- Parents of all parties involved will be informed.
- Consequences for incidents of bullying will be in line with the guidance offered within the Pre-Preparatory Positive Behaviour Procedure. For incidents of a significantly serious nature, permanent exclusion may be considered appropriate and necessary.
- All staff who have contact with children (and staff) are to be made aware of the problem and to report back to the Class Teacher or Deputy Head (Pastoral), Headmaster immediately if they observe any further inappropriate behaviour from the child or children concerned.
- The situation will be carefully monitored to prevent any reoccurrence and to ensure that the victim(s) receive appropriate support.
- In certain situations, it may be necessary for outside agencies to be contacted (Police, Social Services etc.). Contact with external agencies would always be at the discretion.

8. STAFF AWARENESS

- Anti-bullying procedures and advice form an important part of staff meetings and annual CPD.
- Staff are asked to watch for early signs of distress in pupils e.g. deterioration of work, illness, isolation, desire to remain with adults, avoiding Houses or play areas at break times, erratic attendance.
- Staff need to be aware of racist and sexist language or actions.
- Staff need to be aware of the specific challenges that boarding pupils face. If bullying occurs within a boarding house, pupils affected by this will not have the same sense of security as a day pupil may have when going home.

9. EDUCATION

The School aims to prevent bullying by making use of various strategies:

- use all pupils as a positive resource in countering bullying (the key factor)
- encourage pupils to report bullying (not just in the school only)
- use the School's Anti-Bullying Policy as a basis for education through regular talks, presentations, assemblies, the Chapel, Tutor time, PSHE lessons and House meetings
- where appropriate, use opportunities from the curriculum and throughout the teaching day to address bullying

The School focuses on pupils' personal development through:

- conflict resolution and negotiation skills
- understanding of responsibilities
- respect for others
- empathy to others

10. PUPILS ('WHO TO TURN TO' IN THE PREPARATORY SCHOOL)

It is of paramount importance that pupils should know who to turn to, for example their tutor, class teacher, the School Chaplain or the Headmaster. All pupils are reminded through the curriculum and through regular assemblies that bullying will be acted upon and to know it will be acted upon.

discreetly and sensitively via our counselling procedures.
